## PRAYER PROGRAM GUIDELINE

### PRAYER PROGRAM

This Guideline was developed to help you plan a well-defined prayer program for the upcoming BREAK FREE 2010 Youth Convention. Prayer has the power to change the world and bring forth miracles. No amount of proper planning can bring success if there is no prayer involved. When a group of believers come together and pray together, even mightier things happen. God is always hearing our prayers and we invite you to join and pray as one voice for a successful camp.

### HOW YOU CAN PRAY

There are many ways you can join us in this effort. Below are just a few simple suggestions.

#### Option 1: Chain Prayer

1. You can encourage your local MYF members and church youths to set-up a prayer chain for each day or for the entire week. Each member can take up an hour or two for the day and pray for one or two of the items listed.
2. During the hour allocated to them, they can pray for 15 minutes or even a short 5 minute prayer every 20 minutes (if you are at work or in the office). You can pray for longer too if you want.
3. Once you are done praying, call up or SMS the next person on the list to remind him/her of his/her turn. This ensures that the chain is unbroken.

#### Option 2: Prayer Cell/Gathering

1. You can also encourage all your members to spend 5 minutes every hour to pray for the camp on the day allocated to your local MYF. Members can pray for a different item every hour.
2. After school/work, gather your youths for a one hour prayer cell at either your house or the church.

#### Fasting

1. If you aren't already fasting, we encourage you to fast and pray for the camp either during the 5 weekdays below or at the least one of the day.
